

Year 2 Home Learning Spring Term 2023

Weekly Essentials:		Enrichment Ideas: Please work in your home learning book. Choose two tasks per week. Tick and date the boxes below as you complete them. Please hand in your home learning book every Monday morning.																						
Reading Challenge Read your reading book at least 3 times a week and tell us on the Boom Reading app. Join Laceby Library and enjoy exploring a wide range of books.		Draw and label different kinds of penguins. Research some interesting facts.	Read stories about penguins. Find penguin stories to watch on YouTube. Write a summary of what each story was about.	Make a 3D model of a penguin. 	Write instructions on how to care for a pet. What will it need to eat and drink? How can the owner help it to stay healthy?																			
Purple Mash Log in and explore all the games and tools. Don't forget to save your work. Look in the '2Do' section to continue with activities you've been doing in school.		Draw and label pictures of animals that hibernate. Add some interesting facts about them.	On Purple Mash, create a picture of a penguin, using 2paint a picture.	Create an animal dance. Can you move your body in different ways to show how animals move?	Practice telling the time; o'clock, half-past, quarter to and quarter past.																			
Spelling Practice your spellings by playing games on Spelling Shed. Read, write and spell all the Year 2 Common Exception Words.		Write out the 2, 3, 5 and 10 times tables. Try $1 \times 2 = 2$ and the other way $2 \times 1 =$	Visit a zoo or animal sanctuary. Draw and write about the animals you have seen. Add lots of interesting facts.	Use plasticine to make your favourite animals.	Find out who Florence Nightingale was, when she lived and how she helped people.																			
Maths Practice your 2, 3, 5 and 10 Times Tables. Sing along to YouTube songs and play games online: https://www.topmarks.co.uk/maths-games/5-7-years/times-tables		Learn about fractions. Share pizza, cakes or sweets to find $1/2$, $1/3$, $1/4$, $2/4$ and $3/4$.	Draw and paint pictures of animals. Observe colours, patterns and shapes carefully.	Practice singing the songs for the festival. 	Choose a country you don't know a lot about. Find it on a world map. Find out which animals and birds are native to that country.																			
Remember how to Draw tally marks: <table border="1" data-bbox="315 1023 562 1166"> <tr><td>1</td><td> </td><td>6</td><td> </td></tr> <tr><td>2</td><td> </td><td>7</td><td> </td></tr> <tr><td>3</td><td> </td><td>8</td><td> </td></tr> <tr><td>4</td><td> </td><td>9</td><td> </td></tr> <tr><td>5</td><td> </td><td>10</td><td> </td></tr> </table>	1		6		2		7		3		8		4		9		5		10		 Make a paper lantern for our Florence Nightingale display.	Find out which animals and birds visit your garden. Keep a tally chart of the ones you see.	Write diary entries of activities you have enjoyed after school and at weekends.	Draw or paint a picture of The Lady with the Lamp.
