

Pumpkin Class Home-Learning

Spring 2021

Weekly Essentials These are essential learning tasks to be completed <u>every week</u> .	Enrichment Ideas We encourage you to choose at least 6 activities over the term. It is always fantastic to see the creative ideas you have and the ways you extend your learning at home. Please record this in your home-learning Curriculum Enrichment book provided. Hand in Day: Thursdays. If you have your own home-learning idea, please feel free to do this too.			
Reading challenge • Read your reading book at least 3 times a week. Hand in Day: Thursdays	Research and report. Have you read any books with animals in? Write us a book review telling us about it. 	Explore animals and their babies. What do we call the babies of different types of animal? 	Investigate Can you name an animal beginning with each letter of the alphabet? 	Create an exercise diary and keep it going for a week. What exercise was your favourite? How long did you exercise for? 
Maths challenge Have a go at our maths challenges on Purple Mash.	Explore measurements. What can we measure in different ways? How could we measure ourselves? 	Design a poster telling me all about a particular animal. 	Research Florence Nightingale. 	Create a flap book or picture. It could be a maths book with answers under flaps. It could be a hide and seek style picture. 
Spelling challenge Weekly spelling focus is on our class blog. Practise on Spelling Shed to get your best scores! Quiz on Fridays.	Describe an animal's habitat. Draw, colour and label parts of it. 	Create your own home learning task. 	Discover 2D and 3D shapes. Take photos or draw pictures of where you can find different shapes in your house. 	Investigate what living things will we find in different parts of the world? Draw a map to show me.
