

## Barley Class Home-Learning - Week beginning 27th April

Reading	Reading every day - Fiction books, novels, short stories, magazines, comics, newspapers, websites, kindles, non-fiction, information,
_	recipe books.
	From your reading choose one of the following per week to complete:
	A book review. (100 words)
	A character profile
	Find the definitions of five unknown words
	Find synonyms of these five unknown words
	Word class hunt for words in your book
	Draw a scene from the book
	Complete one of the comprehension activities - there are 5 to choose from.
	Use your Spelling Shed login detail to access the resources.
	https://www.literacyshedplus.com/en-gb/browse/comprehension-plus/stage-6/evolution
Writing	Continue with your diary writing – remember – you are writing a piece of history!
	As I know how much you enjoy creative writing, I would like you to use your imaginations this week!
	Lots of you enjoy watching the news and we have all been hugely affected by the coronavirus – it has changed our everyday lives and
	will continue to do so for some time. With this is mind, can you create a piece of writing – it could be a fictional diary, newspaper repor
	non-chronological report (fact-file), narrative, recount – all about how your life has been affected and how coronavirus has changed
	society.
	We can share them when we come back to the classroom $\odot$
Grammar	Active and Passive

Barley Class Home-Learning - Week beginning 27th April

## Barley Class Home-Learning - Week beginning 27th April

	answers are also available on this page)
Projects	Dr Chips STEM Activities – choose a daily dose activty <u>https://drchips.weebly.com/#</u>
	Theme Park Maths – Twinkl (password is UKTWINKLHELPS) complete Task 3
	https://www.twinkl.co.uk/resource/t2-t-231-year-6-project-pack-theme-park-resource-pack
	Science Experiments – Our new Science topic is 'Light', This link <u>https://www.stem.org.uk/resources/community/collection/12741/year-</u>
	<u>6-light</u> continue to explore some of these activities – can you write a scientific investigation? Think about the vocabulary we discussed in lessons
	title, prediction, equipment list, controlled and independent variables, method, results, conclusion, evaluation
	<i>Art</i> – Rainbows
	After seeing the amazing video that you sent (thank you – unsurprisingly it made me cry, you know what I am like!), continue to create your marvellous rainbow art – we can fill our classroom with colour when we return to school!
	<b>Design Technology</b> – This terms topic is Food and Celebrating Cultures.
	Have you been baking and cooking at home? Can you create instructions/recipes to share with the class?
