

History

Week beginning 13th July 2020

Crime and Punishment

This is our final week of History home learning and we will be concluding our Crime and Punishment unit.

- Why do you think many Victorians were against having a police force?
- What do you think our society would be like if we didn't have police?

Look through the 'The Victorians' information presentation and the activity questions.

If you have completed the project, please email it to pupils@stanfordschool.co.uk and share your wonderful work!
