Crime and Punishment

This week we will be continuing with our Crime and Punishment topic;

- Can you describe how crime would usually be punished in the Anglo-Saxon/Viking world?
- Do you know what the most common crime of the time was?
- Can you describe how people involved gods in the punishment of criminals?
- Do you think the Anglo-Saxon/Viking style of punishment was more or less fair than the Roman?
- What were the similarities between them?
- What were the differences between them?

How are you going to present this information?

We will be working on this project over the next few weeks.
