

Week 6 27.4.20

We can add the suffix -ly to a root word to make an adverb.

If the root word ends in an e the e is dropped before adding the suffix -ly

E.g gentle- gently

1. He grinned **smugly** when he remembered his secret treasure.
2. Sam looks very **smug** after finding the sweets first.
3. Mum always gives me a **cuddle** when I hurt myself.
4. My rabbit **wrinkles** its nose when it smells a carrot.
5. Gran's dog is warm and very **cuddly**.
6. Mary **cuddled** her new little kitten.
7. Sandra's skin was still without a **wrinkle**.
8. It rained **gently** the whole day.
9. Tom's hair was grey and short and his face **wrinkly**.
10. **Suddenly** my mum started singing.
11. Do you have the same thing in a **different** colour?
12. My grandfather gets up **early**.

Week 6 27.4.20

We can add the suffix -ly to a root word to make an adverb.

If the root word ends in an e the e is dropped before adding the suffix -ly

E.g gentle- gently

1. He grinned _____when he remembered his secret treasure.
