

Week 8, Day 4

Days of the week

Each day covers one maths topic. It should take you about 1 hour or just a little more.

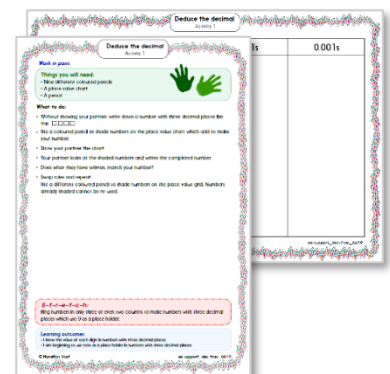

1. Start by reading through the **Learning Reminders**. They come from our *PowerPoint* slides.

2. Tackle the questions on the **Practice Sheet**. There might be a choice of either **Mild** (easier) or **Hot** (harder)! Check the answers.

3. Finding it tricky? That's OK... have a go with a grown-up at **A Bit Stuck?**

4. Have I mastered the topic? A few questions to **Check your understanding**. Fold the page to hide the answers!

Learning Reminders

Watch the film of *The Very Hungry Caterpillar* at <https://www.youtube.com/watch?v=75NQK-Sm1YY> or read the book if you have it.

What did the caterpillar eat on...

Monday

What did the caterpillar eat the next day...

Tuesday

What happened on...

Saturday

What was the day after Saturday?

Sunday

What
happened on
Sunday?

?

Learning Reminders

Order days of the week.

Which days do we
usually go to
school?

Monday
Tuesday
Wednesday
Thursday
Friday

What are the days
called when we
don't usually go to
school?

Saturday
Sunday

Practice Sheet Mild

My week

Draw and write one thing you do on that day in each box.

Monday

Tuesday

Wednesday

Thursday

Friday

Saturday

Sunday

Challenge

What is the day after, the day after Sunday? Write the answer.

Practice Sheet Hot

My week

Write the days in order along the top of the sheet. Draw and write two things you do on each day.

--	--	--	--	--	--	--

Friday	Thursday	Saturday	Wednesday
	Sunday	Tuesday	Monday

Challenge

Write the answer to these puzzles:

1. What is the day before, the day before Sunday?
2. What is the day before, the day after Monday?

A Bit Stuck?

Pick of the day

Things you will need:

- Days of the week cards
- Scissors

What to do:

- Cut out the days of the week cards.
- Lay them out in order, in a line, starting with Monday.
- Now take out Thursday and place it face up in the middle of the table.
- Pick up the rest of the cards and shuffle them.
- Spread them out face down.
- Take turns to turn over a card.
- Place it either before Thursday or after Thursday.
- Check with your partner. Is it in the right place? If yes, it stays put. If no, return the card to the bottom of the pile.
- Keep playing like this.

Create your own week diary

As you go through the week, draw or write your favourite thing from that day on a card or half a piece of paper. Perhaps it was your favourite food, or an activity you did, or seeing someone online or on a mobile phone. Choose something different each day.

At the end of the week, shuffle the cards/pages. Now try to put them in order in less than one minute!

What was your favourite day of the week? Why?

A Bit Stuck?
