Grammar word classes, homonyms, homophones, punctuation, synonym, antonym, alliteration.

ICT

Creating a mobile app – using APP Inventor to research, develop, plan and design our very own mobile app to be used in school!

French

Words, phrases and simple writing – *Comment t'appelle-tu?*

Main Focus (History/Geography/Science)

Geography – Place knowledge – Where in the world is Egypt? What similarities and differences are there between the UK and Egypt? How to the ways of life differ in Egypt? What are the most famous landmarks in Egypt?

History – A non-European society – Egyptians – How does society in Egypt contrast with Britain? Can you create a timeline of the rulers of Egypt? Who were the Ancient Egyptians? What was their lifestyle? Have any of their traditions continued to the present day?

Science – Year 5 – Earth and Space
Describing the movement of the Earth and other planets, relative movements with Sun, Moon and Earth, using Earth's rotation and to explain day and night.

Year 6 - Light

Describe how light travels from light sources to our eyes, the idea that light travels in straight lines in order to see objects and how it creates shadows.

Creative (Art/Music/Drama/DT)

Art – *Artists, architects and designers in history* – Who built the Great Pyramids in Egypt? Why are they still regarded as a wonder today?

DT – Can you design an Egyptian Shaduf? How do the mechanics work and what were they used for?

Drama - Using hot seating during English and topic (also links to PSHE) to show empathy towards others feelings and ways of understanding.

Music – Classroom Jazz – Listening and responding to jazz music, improvising and performing our own classroom jazz!
