SEN

To overcome potential barriers to learning in music, some pupils may need:

- help in managing the written communication aspects of music - such as the use of symbols - by using larger print, colour codes, multi-sensory reinforcement
- encouragement to use their voices expressively and to use different forms of communication - such as gesture - to compensate for difficulties when singing and speaking
- opportunities to learn about music through physical contact with an instrument and/or sound source where they are unable to hear sounds clearly or at all
- access to adapted instruments to overcome difficulties with mobility or manipulative skills.

LITERACY

- Read about musicians and their music
- Read, retrieve and remember musical facts
- Use and read graphic symbols and musical notation
- Use musical vocabulary
- Write new lyrics to familiar melodies
- Communicate feelings and emotions about specific musical performances
- Talk about ideas with others when planning and composing music
- Listen to a variety of music in many forms and styles
- Attend musical and theatrical performances
- Songs for SATs facts (grammar)
