

**Listen and Appraise**

Listen with concentration and understand live and recorded music. Find and internalise pulse. Begin to use correct language to suit style of music they are listening to. Start to recognise different instruments.

**Sing**

Simple songs and chants. Call and response.

**End of Year Expectations****Music****Year 1****Play Instruments**

Tuned and untuned percussion. Play simple accompaniments and tunes.

**Improvise and Compose**

Improvise sounds in response to picture within a group. Make up rhythmic patterns that lead to melodies.

Record compositions through graphic or pictorial notation.

**Perform**

Rehearse and perform short melodies by ear using 2/3 notes, for instance using 2 or 3 chime bars. Appreciate the importance of starting and ending together by following leader/conductor. Develop and perform compositions within class.
