Foundation Stage & Key Stage 1

Dear Parents and Carers,

Over the Christmas Holidays, our **Early Stage Reading Books** have been reviewed and matched to the work pupils are undertaking in school. This makes the choice of reading book given to your child more relevant to the sounds and words they are learning and consolidating in their English and phonics lessons. We hope this means your child will be confident in reading at home with you and enjoy showing you what they can do!

Following the success of our Autumn Reading Challenge, we are organising another this term. Instead of lasting a whole term, this time it will run for half a term. In Foundation Stage and Key Stage 1, children will be rewarded with a sticker each week for **'3 Home Reads'** recorded and signed by an adult in their reading record book. If a child collects 5 stickers in half a term, they will take part in an event to celebrate their achievement.

If you have any queries or questions, please ask your child's class teacher in the first instance.

Yours sincerely,

Mrs Jayne Smith

English & KS1 Lead
