Dear Parent/Guardian,

## **Year 2 Far Ings Nature Reserve Visit – Wednesday 4th June 2025**

As part of our commitment to providing an enriching and exciting curriculum, I am delighted to inform you we have arranged an educational visit for the Year 2 children to Far Ings Nature Reserve. This is designed to promote and give opportunities for first hand experiences that are not available in school. This trip will build on our work in Science, Art, History and Geography this term. With trained Lincolnshire Wildlife educational staff leading us for the day, we shall be:

- Pond dipping
- Creating wild Art sculptures
- Viewing and finding out more about the Humber Bridge
- Learning to classify plants and animals

In order to finance the visit, we would be grateful for a voluntary contribution of **£18.35** towards the admission charge and the coach travel. This can be made in full or in instalments. If the provision of a voluntary contribution is a cause for concern, then please do not hesitate to contact us.

Please note, should the school receive insufficient contributions, the trip may have to be cancelled.

Contributions are to be paid online via the Arbor App. Unfortunately, we are unable to accept cash payments.

If your child normally has a free school meal they will be provided with an 'away day packed lunch' from Wellspring Catering, alternatively they can bring their own packed lunch, together with a non-fizzy drink.

The coach will depart school at 9am and return in time for the end of the school day. For details of appropriate clothing to be worn, please see below. Full risk assessments have been undertaken and children will be well supervised all day.

There will be no opportunity for spending and buying, so please don't send your child with any money.

Many thanks for your support,

**Mrs. Brady**
