Dear Parent / Carer

RE: Tuck Shop Online Payments

As you know we provide KS2 with a healthy tuck shop on a Friday at a cost of 50p, due to COVID-19 restrictions we cannot take cash and only online payments through SCOPay.com.

We are having a few issues with the new online system so please bare with us, you may have noticed a cost of £5.50 on your SCOPay account, please be reassured you do not owe us this money. The £5.50 represents the cost of the Tuck Shop for the Autumn term up to Christmas, you can pay as little or as much as you like it is completely optional. We will then replace with a new amount for the Spring Term which you can opt into.

We wanted to continue this tradition for KS2 pupils and do not wish to offend or exclude pupils especially in the current climate so if you would like your child to receive a snack and the 50p contribution is a cause for concern, then please get in touch and you can discuss the matter in confidence with the school business manager Dawn King.

Yours faithfully

Mrs L Hackfath
Head Teacher
