25th January 2022

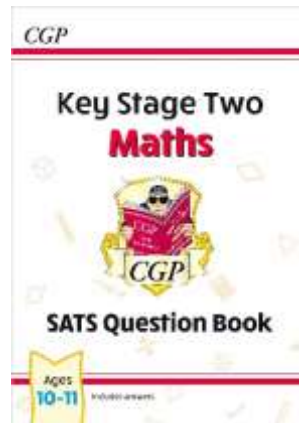

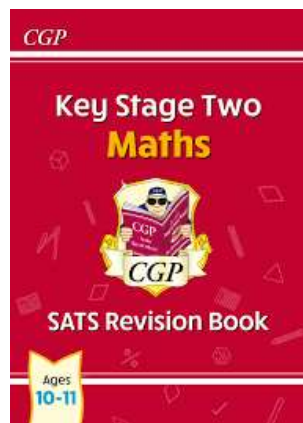

Dear Parent/Guardian

As you will know, your child in Year 6 will take part in statutory end of KS2 assessments later in the year. This year's SATs week is Monday 9th May – Thursday 12th May.

There are revision booklets available to buy, which will really help the children to consolidate the learning that is taking place in the classroom. The revision text and workbooks are a fun way to revise and have been helpful for children in the previous years that we have used them.

We will be using these revision guides to support weekly home learning tasks and will be discussing answers and strategies to solving the problems within the classroom, there is no expectation for parents/carers to mark the workbooks.

These workbooks retail at £5.95 each, but as a school we can order them at a reduced price of £2.50 each. We will be ordering the CGP Key Stage 2 Maths SATs Revision Book and CGP Key Stage 2 Maths SATs Question Book.

We would be grateful of a contribution of £5 to order these revision guides, which can be made via scopy or cash.

Thank you for your support.

Yours sincerely,

Mrs K Marsden
Year 6 Teacher
