Please see www.stanfordschool.org for further information.

Hook Days Dress up is optional!

Please enjoy reading all the wonderful contributions from each class about their learning experiences.

Sport

🏊♀Swimming Gala 2025 🏊♀

Pupils from Years 4,5 and 6 had a fantastic afternoon at the Swimming Gala 2025!

Competing in a range of events from front crawl to freestyle, individual and relay races, the pupils showed their swimming talents!

ALL of the pupils were absolutely incredible, showed great determination and teamwork! Throughout the races, the pupils showed excellent sportsmanship by cheering their peers on and had such team spirit.

Because of this and their amazing swimming talents...Stanford School came 2nd!! 🏆

Thank you to the staff and our parents/ carers who came to support and cheer our amazing team on!!
 Well done!! We are all so proud of you!! 🏆

We are really proud to have achieved a SILVER school games mark for our commitment to PE and school sport this year. Well done everyone and thank you to North East Lincolnshire School Sport Partnership for all your support!

Foundation

This term our foundation children have been learning all about animals and specifically farm animals. As part of our commitment to providing an enriching and exciting curriculum, we were delighted to take our foundation children on an exciting Visit to Hall Farm Park.

And what an AMAZING day we had at the farm! ☀️🐮 The sun was shining, and the Foundation class had a blast exploring all the activities the farm had to offer! We kicked off the day with a woodland walk, solving clues to figure out which animals we might encounter next! We then hopped on a tractor ride to meet some friendly cows and feed them potatoes. Those cows had LONG, slimy tongues! 🐄 We also had the chance to walk some goats, spot so many animals, and even pet and feed them! 🐐🐑

It was such a fantastic day, spending time with friends, and getting a hands-on experience of life on the farm. We had a brilliant time learning about the animals, crops, and everything that goes into taking care of them. We'll remember this trip for a long time! 🌿🐾

Year 1

Year 1 have had such a great term! As part of our learning about places of worship, we visited our local church and learnt all about the features inside and what they are used for. Year 4 came along and shared their knowledge with us. We also celebrated our Phonics Screening results by making fruit kebabs and eating them in the shade of a tree on the field. We all did so well this year.

Year 2 Explores Far Ings Nature Reserve!

Our Year 2 children recently had a fantastic time on their trip to Far Ings Nature Reserve! It was a day packed with discovery and outdoor fun.

The children loved spotting the iconic Humber Bridge and became keen bird watchers, observing the diverse birdlife. Their creativity shone through as they made amazing "forest faces" using clay and natural materials found around the reserve.

Year 3

Lincoln Castle

Year 3 had a fantastic day at Lincoln Castle this week exploring more about the Romans! We dug for artefacts and chose a curator to display them for us. We then had the opportunity to handle a real life collection of Roman artefacts. Finally, we took

part in what life was like in the Roman army. "It was a fantastic day I loved dressing up like I was a centurion"
"I can't believe I got hold a real life artefact from the Roman times!"

"I had the best time ever!"

Year 4

Eco Warriors - caring for the community!

As a part of our Well-being Wednesday activities, we decided that we would do something nice for our community and go litter picking around a local playground. Armed with their trusty pickers the children were very enthusiastic, trying to see who collected the most and who found the most interesting objects.

One of the neighbours came to see what we were doing and thought it was wonderful that we were making an effort to make the area nice for others.

Year 5

Art Breakfast

The children in year 5 have been learning about World War 2, including learning about Anderson shelters, which many civilians built in their own gardens for protection during the war. We decided to make miniature models of Anderson shelters and the garden scenes around them. The children thought carefully about what features they might like to include (such as vegetable patches, ponds, clothing lines, etc.) and drew up plans.

We would also like to extend our heartfelt thanks and best wishes to our Office Manager, Miss Baker, as she embarks on her next chapter.

We welcome Mrs Purshouse, as you know, to the SENCO role in September.

We are also welcoming a new teacher to year 1 and we plan on sharing a little video/photo and write up about them on the web, during the summer. Watch this space!

We are also pleased to welcome Mrs Robinson back to school too. Also, we welcome Mrs Wright to Laceby Stanford - Mrs Wright is the Office Administrator in the office, who many of you will have already met.

Please may I take this opportunity to say thank you to all the team At Laceby Stanford for their dedication, hard work and positivity - they enrich the opportunities for our pupils each day and I am incredibly proud of them.

Thank You

To all parents and carers - thank you for your wonderful support this term - attending school events, help with community events, donations for our charities and helping with costumes and supporting home reading etc. We all really appreciate it.

Wishing you all an enjoyable and relaxing summer with your family and friends,

Love from the Laceby Stanford Family

Year 6

Stanfest 2025

What an absolutely EPIC Stanfest 2025!

Our Year 6 leavers celebrated in true festival style, complete with awesome lanyard passes, delicious sweet treats, classic chip butties, and the best festival vibes. And who could forget the legendary water fight?! So much laughter and fun - what a fantastic way to send off our amazing pupils!

Exciting Summer Opportunity for Young People!

This summer, young people aged 10-16 have the chance to take part in *Lifestyle*—a fantastic community project that encourages them to make a real difference in their neighbourhoods.

Running throughout the summer holidays, participants can team up with friends to plan and carry out a project that benefits their local area. It's a great way to stay active, build teamwork skills, and give back to the community—all while having fun!

There are some amazing prizes up for grabs too, including adventurous days out and even a trip to Paris and Disneyland!

Communication

If you need support with Arbor please see the link

Personnel

Goodbye and a huge Thank You to the staff who are leaving us this term - Mrs Sheard, Mrs Hopkins and Mrs J Smith. They have all been wonderful team members and we wish them all the very best for the future.
