DO YOU FEEL SAFE
IN SCHOOL ?

CAUTIOUS

FENCES

PROTECTION

Do you feel safe in school? Well...
I'm Freddie and I'm in year 5, and I
can tell you Stansford is as safe as
sound. We've got high fences for protection
and cautious teachers, that's what
makes me feel safe and protected.
There's also job doors, red and green
laneways so people know if they can
be by themselves or not, visitor
badges so people know who they are,
and... special assemblies for advice.
