

Visit to Poppy class on 17<sup>th</sup> October 2017

Dear Poppy class

Thank you very much for letting me come and meet you all on Tuesday morning. It was my first visit as a governor to your school. I enjoyed talking to you about what a governor does, but what was very interesting was answering your questions. You had given it some thought before I came and were well-prepared. It was good to see you making notes in your notebooks, you all looked very confident.

One thought I took away with me was how beautifully behaved and polite you are. Well done, Poppy class. I look forward to my next visit soon.

Thank you for a lovely visit,

Mrs Tatler (Stanford Laceby School Governor)
