Tuesday 29th October 2024

Dear Parents/Carers,

Academy Conversion

I am delighted to be able to tell you that all the paperwork is now complete and contracts have been signed for our conversion to academy status and from Friday, we will officially be:-

***Laceby Stanford Primary Academy,
part of the Wellspring Academy Trust.***

Friday will be a day of celebration and excitement with the children taking part in activities and tasks to mark the start of a new chapter with Wellspring.

New uniform is now in circulation and we love the new Stanford badge. However, please remember there is no rush to buy it. Children can still wear the current uniform.

Our emails will also change and you will be notified of this as soon as they are in use, however, the school phone number will stay the same. Over the next couple of weeks, new signage will begin to appear around school too.

We are so excited that Friday sees the start of a new journey for our wonderful school.

Thank you for your continuing support.

L. Hackfath
Headteacher
