

Scholastic Book Fair – 25th-30th March

We will be hosting our annual Book Fair at the end of March. This will be hosted over four evenings, after school, running up to 4pm on these evenings. Please collect pupils as normal and come back through the office after school.

Pupils will be able to browse from a range of children's literature and make purchases.

We will be having a cashless payment system, by scanning a QR code on the premises and entering the school post code. Please still bring your bank cards, as you will need to enter payment details.

World Book Day tokens can also be used towards payments as well, if you still have these.

We look forward to celebrating the joy of reading with you!

Mr Middleton
Curriculum Lead
