## King's Coronation – Wednesday 3<sup>rd</sup> May

Dear Parents/Carers,

On Wednesday 3<sup>rd</sup> May 2023, we will be celebrating the King's Coronation.

This special day has been organised by our pupils, through Pupil Voice, who have taken suggestions from their peers and have worked collaboratively to organise this special event.

As part of this celebration, we are asking the children to come dressed up as different British celebrities or dressed in red, white and blue. Each child will receive a coronation bookmark as a memento of this special event in history.

During the morning, we will be learning about the King's Coronation and the history of King Charles. As well as this, they will be taking part in a range of crafts and activities learning about the history of The Royal family.

In the afternoon, we will be having a special celebration with a garden party on the school field. We will be serving scones, cream and jam, 'Afternoon Tea' style to celebrate this event. Pupils will be showcasing their wonderful costumes and outfits to the whole school as well as singing traditional songs and the national anthem.

We hope the sun is shining for this special afternoon!

Kind regards

**Mrs C Smith and Miss H Purshouse**
