Dear Parents/Carers

You are cordially invited to a 'Teddy Bears' picnic on the school field on Friday 19th May, at 2.30pm (as per the newsletter).

This is an event where you will be able to celebrate reading with your child, while having a healthy snack that your child will have prepared for you!

Children can bring teddies in the morning, to complete activities with during the day.

We will provide beanbags, sandwiches, fruits and juice, as well as a selection of books – some that can be read to your child and others that your child can attempt to read to you. You are very welcome to bring your own picnic blanket if you like.

When you arrive on the day, can you please sign in through the office before joining us.

Thank you

The Foundation Stage Team
