10<sup>th</sup> May 2023

## The Lincolnshire Young Environmentalist Final Wednesday 24<sup>th</sup> May 2023

Dear Parents/Carers,

We have some exciting news to announce, our gardening club is a finalist for The Lincolnshire Young Environmentalist Award.

The Lincolnshire Young Environmentalist Award recognises the enthusiasm, hard work and commitment of young people. The Awards aim to foster a sense of responsibility for the environment and reward schools, groups, clubs and individuals for the fantastic achievements that are being made.

As we are finalists we have been invited to a full day of events at Whisby Nature Park on **Wednesday 24<sup>th</sup> May 2023**. Children will need to provide their own packed lunches and we are asking for a contribution of £5.00 to help towards travel costs.

Contributions can be paid online at [www.scopay.com](http://www.scopay.com) if you haven't registered yet then you can request a copy of your registration code and setup information from the school office. You can also pay cash to your child's class teacher in an envelope marked with your child's name or handed in at the school office.

Many thanks for your support.,  
Miss Purshouse

**If you have any questions please contact Miss Purshouse or the school office.**
