Trip to Normanby Hall on Wednesday 17th May

Dear Parents/Carers,

As part of our commitment to providing an enriching and exciting curriculum, we are delighted to inform you that we have arranged for the Year 1 pupils to go on a trip to Normanby Hall.

This experience will link with our scientific and geographical learning about seasons and how they affect life on Earth and also with our science investigation work on growing things. We will have two specialist-led and hands-on interactive learning sessions at the Hall; one focusing on changing seasons in the woodland with a focus on plant life-cycles; the other focusing on scientific investigations into growing conditions, with the chance to use different types of gardening tools. We will picnic outside if the weather allows but have the use of an indoor area if it's wet.

In order to finance the visit, we would be grateful for a voluntary contribution of **£16.00**. If the provision of a voluntary contribution is a cause for concern, then please get in touch and you can discuss the matter in confidence with the school business manager Dawn King. Please note if school receives insufficient funds to pay for this trip then it may have to be cancelled.

Contributions can be paid online at www.scopay.com if you haven't registered yet then you can request a copy of your registration code and setup information from the school office. You can also pay cash to your child's class teacher in an envelope marked with your child's name or handed in at the school office.

Please ensure your child wears comfortable messy play clothes (joggers, T shirt and sweatshirt, wellies or trainers you don't mind getting dirty) brings a packed lunch (in a clearly labelled bag) together with a non-fizzy drink. Children will also require coats and/or sun hats depending on the weather that day.

We will set off and return within normal school hours.

We thank you for your continued support and we are looking forward to another wonderful trip!

Yours sincerely

Mrs Smith & Miss Purshouse
