5th June 2023

Dear Year 1 parents/carers,

Next week is an important week for all our Year 1 children as we will be doing the Government's Phonics Assessment. Your child will complete their 'Phonics Quiz' one day between Monday 12th June and Thursday 15th June 2023. They are well prepared for this assessment as we have been working on our phonics skills daily since they started school in Foundation. The assessment helps us to see how much progress children have made and identify who may need extra support to achieve this in Year 2. You can see more information on this link:

The assessment is in a very child-friendly format with pages like this one:

You can view last year's assessment here if you would like to have a practise with your child at home.

Most important is that your child should feel under no pressure - it is **just another fun quiz** which we are used to as part of our everyday learning. If you have any further questions please don't hesitate to catch us on the door at usual times,

Many thanks

Mrs Smith
